

MASTER SERVICES AGREEMENT

This Master Services Agreement is entered into on this 15th day of January, 2026 (the Effective Date), between **AlphaTech Enterprise Solutions Inc.**, a Delaware corporation having its principal office at 500 Technology Way, Seattle, WA 98101 (Provider), and **Global Dynamics Logistics Corp.**, having its principal office at 1200 Commerce Blvd, Chicago, IL 60601 (Customer).

1. Scope of Services & Key Deliverables

Provider shall supply enterprise-grade AI automated document extraction, multi-tenant cloud data pipelines, and full-text search indexing as outlined in Statement of Work #1. Provider warrants 99.9% service availability excluding scheduled maintenance windows.

2. Financial Terms & Total Contract Value

Customer shall pay Provider an annualized recurring subscription fee of \$240,000.00 USD payable quarterly in advance. Invoices are subject to Net 30 payment terms from the date of invoice presentation.

3. Confidentiality & Intellectual Property

Each party agrees that all confidential, proprietary, or business data disclosed during the term shall be held in strict confidence. Customer retains sole and exclusive ownership of all uploaded datasets and extracted document intelligence.

4. Limitation of Liability & Indemnification

Except for gross negligence or willful misconduct, neither party shall be liable for indirect, incidental, special, or consequential damages. Aggregate liability of either party arising out of or related to this agreement shall not exceed the total fees paid by Customer in the preceding twelve (12) months, or \$250,000.00 USD.

5. Term and Termination

This Agreement commences on the Effective Date and continues for an initial term of two (2) years expiring on January 15, 2028. Either party may terminate for convenience with sixty (60) days prior written notice.

6. Governing Law & Jurisdiction

This Agreement shall be governed by and construed in accordance with the substantive laws of the State of Delaware, without regard to conflicts of law principles.
